HILLS CHURCH

As I sit and write these words, we are in the middle of the coldest days of the year—they're calling it the 'Polar Vortex' on the radio and television. And there is something about the dark, cold days of January that can get into your soul and cause cabin fever.

However, I'd like to highlight two recent events that demonstrate how you can make a difference in the lives of others. On a recent snowy Saturday, a few of us went Christmas caroling to our retirement home residents and friends. It was a great joy and greatly appreciated to sing the words of Jesus' birth but also to see and hear the joy on the faces of friends we've visited with.

A few weeks later, a handful of us pulled out of Emmanuel's parking lot a little after 8 a.m. to make the 2 hour drive to Cleveland to see the location of the film "A Christmas Story." (You remember that movie, don't you? About the boy who only wants a BB Gun for Christmas.) And as nice as Cleveland was, the best part of the trip was being with church friends, sharing Christmas memories, talking about family, and sharing with one another around the lunch table.

So, if you are cold this wintertime—remember that there is someone out there whose day you could brighten, just by your presence. Just by your prayer. Just by your visit or phone call or kind word. As Jesus said, "As you have done to the least of these, you have done also to me."

Grace and Peace,

Pastor Joseph

## THE WORD

*"Preach the word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction."—Paul's second letter to Timothy, Chapter 4, verse 2.*

I love it when Paul encourages the people to whom he wrote his letters. Maybe it's because I'm an optimist. Or maybe it's because I am in awe that someone like Paul (who served time in prison, was flogged at least eight times, stoned once, shipwrecked three times, and went without food, water, safety and clothing—See *2 Corinthians 11*) is able to be positive. Most of us, finding ourselves in Paul's place would not be positive nor would we have the strength to encourage others!

Yet, Paul perseveres. Well, we are now in the first few weeks after the first of the year and what have we done in 2013 that could encourage us? We here at Emmanuel have been changing lives and improving things on our little corner of the earth. Some of the things we have given to in 2013 that give us encouragement:

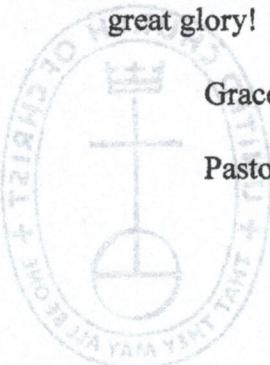

- Emmanuel Church donated through the Snyder Fund to the **Westmoreland County Food Bank**.
- The Noisy Collection (third Sunday of every month) went to **Team Forever** (helping pay for pediatric cardiology costs at UPMC Children's Hospital); **Smile Train** (paying for cleft palate surgeries); **World Vision** (poor children overseas); **Our Church's Wider Mission** in Honor of Rev. and Mrs. Seigfried; and **Philippine Typhoon Relief**.
- Winter clothing and other clothing items were donated to the **Light of Life Mission** (North side of Pittsburgh) and **Salvation Army Delmont**.
- Christmas toys were donated to poor children in our local area.
- We donated to the ministry of **Rev. Zoltan Szucs** in Hungary.
- Personal items, games, small gifts were donated to **St. Paul's Continuing Care Community in Greenville, PA**.
- We donated kitchen, bathroom, personal items through the **Blackburn Center Women and Children's Shelter (domestic violence shelter)** in Greensburg.

So, did you realize that YOU and I personally supported all those things in the past 12 months? (And I'm sure I've forgotten some of them—there may be as many things I've forgotten as I've listed here.)

Be ENCOURAGED! Because Emmanuel Church is doing great things for God's great glory!

Grace and Peace,

Pastor Joseph

## CHRISTIAN EDUCATION END OF YEAR REPORT - 2013

### Expenses and Events:

Confirmation Supplies, Vacation Bible School and service project supplies, Easter, Sunday School Journal for kids, new baby gifts, UCC Resources Fall Curriculum, Homecoming Vintage costume, Confirmation Missing Link Event, Pirates Game, Hayride, Ice Cream Cruise, Living Waters, Live Nativity, Girl's night, World Vision: Rishipal, Various Noisy Collections, Easter Egg Hunt, Blood Drive, Jesus Then and Now children's play, Christmas Play, Annual Chalkwalk, October Bully Awareness Month, Halloween Party

**Vacation Bible School:** This year's vacation bible school had a community service theme. The children learned the missional work of Jesus and took part in different service projects. The children made dog treats for a local shelter, chalked the sidewalk for a thank you letter to our soldiers currently in service, put together hygiene kits for disaster relief and collected donations for the congregation for clean-up kits for disaster relief. A special thank you to our guests: Logan Clark who taught the kids about fire safety and showed us the fire truck and Jack Lucas who taught the children about wild life conservation and showed us all the different animal furs!

**Girls Night:** A group of preteen girls meet at the church in a non-religious context. We discuss things like self-esteem, overcoming stereotypes, how to maintain a healthy relationship with the important women in their lives, etc. We also have fun! The girls made up a club name, made tshirts, had a tea party, played games and plan to do a lot more in the future. It is a very nice group of girls and our church gives them somewhere safe and fun to meet.

### Sunday School:

Regular attendance was down from last year due to families moving. However, we have had more older kids active in church due to our active confirmation class. They have made our children's programs and events more diverse and fun. The children started the year learning lessons taught from the "Big Picture Bible". This bible helped to give kids an idea of how Old Testament stories lead up to Jesus in the New Testament. After they learned some foundations of the Old Testament, we started working on a more detailed curriculum for the Old Testament from UCC Resources. We also had plenty of fun lessons worked in throughout the year. The children especially enjoyed the lessons from regular children's story books. The children brought in their favorite bedtime stories and then we tried to find lessons in these stories that related to the bible. This activity helped to show the children that God's lessons can be found outside of the bible and church. The children had fun putting on children's programs to present to the congregation. They did a "Jesus Then and Now" play which showed Jesus' life parallel to a story of a girl who was struggling with self-image. They also did a Christmas play that told the story of a girl who found out the importance of God's gifts at Christmas time, not just gifts under the tree.

### Confirmation:

We have five children going through confirmation. Each child has a mentor and while working on building a better understanding of important bible stories can reach out to their mentors for help. The confirmation class went to a UCC event in Greensburg that taught different workshops on things that may be missing in church. The confirmation class participated in our Live Nativity and children's program. It has been such a blessing to have them active in the church!

On behalf of everyone associated with the Westmoreland County Food Bank, Thank you for your generous donation of \$1,300.00 on 11/4/2013. Our organization is blessed with generous donors that are essential for our ongoing capacity to serve the less fortunate. The Food Bank has built a solid reputation as a good steward of both public and private donations, with 95 cents of every dollar we take in going back out to help those in need. We are very proud of our strong fiscal discipline. As a donor, you can take comfort in knowing your money is being wisely utilized in the manner you intended. Kris M. Douglas, Chief Ex. Officer

CROP Hunger Walk success story—Thanks to all!

The crop hunger walk was held this past October 13, and we're waiting for a final report from Church World Service, organizer of the annual walks around the country. Our current figures indicate that our 86 walkers of all ages from 6 congregations and the Alcoa Technical Foundation will have raised \$7,512.00 this year to fight hunger around the world, not including an additional grant of \$2500 that will be received from Alcoa! It's expected that a few outstanding pledges and company matching funds will raise this total even higher! Of the total amount raised, 25% will be returned to our local area. These funds will be distributed equally between the Murrysville Loaves and Fishes Emergency Food Pantry and the Westmoreland County Food Bank distribution centers located at Mother of Sorrows and Cornerstone Ministries. We can be especially thankful the \$285.00 was raised by our team of 4 walkers. Roger Schneider, Murrysville Area CROP Coord.

Thank you to Sandy Sinan for the pretzels for the fellowship hour.

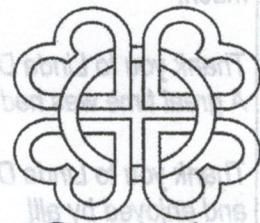

Thank you to Pastor Joseph and Shawn Hanks for your musical talent on Nov. 17th and 24th. We loved all of your songs!

## CROP HUNGER WALK SUCCESS STORY – THANKS TO ALL!

Most all of the local pledges have now been received from our CROP Hunger Walk that was held this past October 13, and we're waiting for a final report from Church World Service, organizer of the annual walks around the country.

Our current figures indicate that our 86 walkers of all ages from 6 congregations and the Alcoa Technical Foundation will have raised \$7,512.00 this year to fight hunger around the world, not including an additional grant of \$2500 that will be received from Alcoa! It's expected that a few outstanding pledges and company matching funds will raise this total even higher!

Of the total amount raised, 25% will be returned to our local area to help those in need. These local funds will be distributed equally between the Murrysville Loaves and Fishes Emergency Food Pantry and the Westmoreland County Food Bank distribution centers located at Mother of Sorrows and Cornerstone Ministries. We can be especially thankful that \$285.00 was raised by our team of 4 walkers. Local Walk chairperson Roger Schneider sends thanks to all who walked and those who sponsored walkers. Please contact Roger at 724-327-4864 if you made a cash contribution to any walker and you would like a receipt for your records.

## GRASP HUNGER WORKSCHOOL - THANKS TO ALL!

Academia, Educational Facilities: the beginning of learning, improving, maturity. How and what we learn is a factor of how we listen based on our interpretation based on our experience. When do we learn to grow with our children, we reach maturity; but, we're never finished; never, developmental psychology in a nutshell; age-old wisdom.

Eldest daughter, Rachael, recently shared a research paper which helped her transfer from a teaching to a research assistant at University of Nevada, Reno. As we talked about her paper, Rachael advised me not to share her studies with anyone; yep, I confess, I've always shared our Children's work; it's my way of being friendly. Not academia, Rachael stressed; evil competition

Recent studies I've read on national copyright scams flashed through my mind; do we own information? When we use information we've gleamed from other people do we grow from it or gloat from it? That is our choice because all information, future success comes from God; he needs to gloat from our intellectual growth.

About Rachael's studies; well, she's still deeply involved and she's created a new compound On the basis of her reactions; want me to share? How much are we talking about? The real wrong answer.

Written by Allison Bassett-Carmichael

I'm ready, God, so ready,

ready from head to toe,

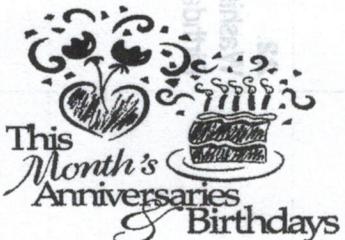

Ready to sing, ready to raise a tune:

"Wake up, soul! Wake up, harp! wake up, lute!

Wake up, you sleepyhead sun!"

Psalm 57:8, (The Message)
