HILLTOPPER

February, 2016

I hope everyone had a wonderful Christmas & I want to wish all a Happy New Year! Even though we were sick and didn't get things done until the last minute... if at all, my family enjoyed time together, the lights and decorations!

I want to catch everyone up from the past month. The children and I had the pleasure of lighting the advent wreath and reading to the congregation. We made Christmas cards for our members who are unable to attend church.

On Christmas Eve we did our program during service as many of you had the pleasure of watching. I'm sure you will all agree that the children all did a wonderful job reading and playing their parts. I am so proud of them!

In class I have been trying to teach them that Jesus is the Reason for the Season! That it's not about the gifts!

On Sunday December 27th the confirmation class students, as well as some of our Sunday school children went Christmas caroling. We all had a great time and enjoyed the smiles on everyone's faces!

This month now that the cold weather has finally reached us, we are going to try to stay warm while working on some winter lessons and activities! For anyone who can help I am also in need of some toilet paper and paper towel tubes for crafts with the children.

Thank you in advance! *Heather*

Lenten Opportunities to Serve

Westmoreland Cluster Services: Five local churches gather together to fellowship, worship and work together: Emmanuel Reformed (Hill's) UCC; Denmark Manor UCC; Harrison City UCC; Trinity (Delmont) UCC; and First (Apollo) UCC. . This year, instead of weekly Wednesday gatherings, we are have 3 events. They are as follows:

- **Friday, February 5th**—At Hill's Church. **U2charist Worship Service.** 7:30 p.m. U2charist is a communion service which uses contemporary songs from the rock band U2 in the place of hymns.
- **March 2nd—12:00 Noon**—"Launch into Lunch" at Harrison City. A worship service/lunchtime program for those who are available during the day.
- **March 16th—A Covered Dish at Denmark Manor UCC.** We will eat at 6:30 and worship will be at 7:30. A highlight of the worship will be putting together hygiene kits for refugees and people displaced by disasters. Each church is bringing items to make 50 kits. *We will be collecting 50 bath towels at Hill's measuring approximately 16" x 28" (no fingertip or bath towels). We are also collecting cash—it also costs about \$100 to send these kits. The deadline is March 15th.*

THE WORD

COMING IN 2016: 'THE YEAR OF THE BIBLE'

When Jennifer and I were in Germany more than ten years ago, the German Bible Society called it "The Year of the Bible." Bookshops had special displays, there were church events, and people were encouraged to use their Bibles in ways they had not thought about before.

Starting in 2016, Emmanuel Reformed (Hill's) Church will be embarking on a similar journey. In an effort to really drive the "Year of the Bible" theme home, I will be preaching on Essential Bible Stories throughout the year. On January 17th, I began with the story of Creation and we will march through the Bible, telling amazing stories the whole way! Such as Jonah and the Whale, Abraham and Sarah, the Beatitudes, Joseph, Noah's Ark and Rainbow and so on.

In addition, there will be special Bible Activities all through the year which match up with the Bible focus of 2016. Check it out!

Grace and Peace, Pastor Joseph

CHRISTIAN EDUCATION YEAR END REPORT 2015

I started off in April working on a lesson for Palm Sunday using a power point presentation and a craft. Then on Easter Sunday I did a hands on lesson with resurrection bread. Next was Doubting Thomas, we heard the story and then used a Thermal Imaging camera to see our hand prints on the wall. The Lord is my Shepard was next, we read the scripture and colored a storyline. The children were then separated into Shepard's and sheep. The sheep were blind folded and had to listen for Their Shepard's voice. It was a lot of fun. The Branch and the Vine was our next lesson. I did a demonstration of pruning a vine while I read them the passage. That same week we began working on our Mothers Day cards. This past Sunday we revisited the lesson of the Branch and the Vine, reminding the children of how God is our gardener, while we planted our flowers for our Mothers Day gifts.

The Sunday after Mother's Day, we did a lesson about friendship/hospitality. We talked about how Jesus had friends, and did some of the same things we do with our friends. We read a story about Peter Simon and Andrew who were friends of Jesus. The children colored a friendship web and shared them with one another. They were also given the task to show kindness, friendship, and hospitality to anyone that crosses their paths. Next was the week of Pentecost. We colored Doves and a flame on laminate paper to hang in our windows as sun catchers. The children were also presented with a gift for the churches birthday. Inside were the following items that had a special meaning: a heart, bible, praying hands, family photo, and 2 flashlights, one with batteries and one without. On Trinity Sunday we talked about what the word Trinity meant: The Father, the Son Jesus and the Holy Spirit/ Ghost. We then read a story about the origins of the pretzel. Then we toasted up some soft pretzels to enjoy for a special treat.

In June the children learned a lesson on patience. We talked about what that meant. Then we used dolls/puppets to tell an example/ story of why we need patience. We patiently strung beads in a pattern for a bracelet. The next week we celebrated the baptism of Ian Carroll. After the baptism the children made a craft representing the baptism of Jesus. They also colored a picture of a baby being baptized. During the week prior to homecoming I tried to put up more children friendly bulletin boards. That incorporated the children. Homecoming Sunday was a very busy day for us! The children had a wonderful time collecting for noisy collection, which benefited St. Jude's Children's Research Institute. We really enjoyed watching the baptism of Rocco Didomenico! In the classroom we made picture frames and cards for our Dads to celebrate Fathers Day! The children gathered around and listened to a story that taught them about bicycle safety. After church we enjoyed time celebrating our churches Homecoming with a St. Jude's Trike a Thon. We raised \$111.00 for St. Jude's. The next week the children heard how Gods love can be healing. Also how Jesus was able to heal sick. We prayed for those that need healing. We also worked on our Fruit of the Spirit Tree bulletin board in the classroom. At the end of June we had our first VBS, A Cruise to the Philippines!

In July the children learned about Jesus and A Prophet Without Honor, in Mark 6. We talked about faith and how it makes our lives better. We made a scratch art rainbow sheet. To show that having faith can wipe out the darkness in our lives and reveal the hidden beauty. The next week we talked about how having God and Jesus in our lives makes us sparkle! Without them our lives are dull like a bottle of water. When we add religion, it's like adding glitter to the water. Making us come alive! We made

sensory bottles to help us calm ourselves and remind us of the sparkle our faith gives to us.

On the next Sunday the children shared with us about all of their summer camps. We then talked about our Fruit of the Spirit Tree, we added some leaves to it. Miriam taught the children a camp song, "Johnny Apple Seed." Finally the children listened to the scripture from mark 6: 30-34, 53-56 and we drew a picture to go with the reading.

We held a carnival/fun day towards the end of July. We played corn hole, bowling, ring toss, and did a duck pond. After the games the children received balloon animals and face paints. Then all got to choose a stuffed animal prize, a toy from the prize box and a bag of mixed candy. Then we all enjoyed the cotton candy, snow cones, popcorn, and hot dogs. Lots of fun was had by all! Prior to the fun day the children's sermon was on wearing name tags. The children heard a story of how the zoo animals wore name tags and one day the monkey decided to switch everyone's tags. In the end they realized they didn't need the name tags because people could tell by looking what they were. Just like with us, we don't need tags that say "Hello I am a Christian!" Others can tell who we are by our actions and how we live our lives. The final week of July we did a lesson on "The Bread of Life." We read the scripture from John 6: 24-35. Then we discussed how God and Jesus give us what we truly need in our lives. We made painted toast to enjoy as a snack.

In August we listened to the story of Elijah's encounter with God. Was God in the wind? Earthquake? Fire? Or was he the whisper? We discussed how God may not answer our prayers as we would always like him to, however in wonderful moments He comes to us. Even when we don't understand the path He has us on, we know in the end our lives will be better. We made pinwheels to remind us to see the signs and listen to the whispers in the wind. On the next Sunday we listened to the story of King Solomon. We learned that when God gave him a chance to wish for anything, he asked for wisdom. We talked about what we would have ask God for. Then we colored a picture to reflect our discussion. The next week was Vacation Bible School, "Camping with Christ." We learned about Pentecost and the Fruit of the Spirit. We made prayer flags, painted fruit rocks, and Jesus Loves You S'More foam hangers. We sang songs, played games, wrote in journals and had a talent show! At the talent show the children performed all the songs they learned at both VBS's over the summer. We also had a blessing of the backpacks. To finish our camping VBS we had a small camp fire. We roasted hot dogs and made smores, all while enjoying the company of our members! The next Sunday the children listened to the passage from 1 Kings 8: 22-30, 41-43. We discussed things that were temporary and things that were permanent in our lives. We colored a picture of Solomon praying to God in front of all his people at the temple. The last Sunday of August we discussed everyone's return to their schools. Our lesson was on the Ten Commandments. We read the story of Moses and the Ten Commandments. Then we played Bingo using cards themed around the Ten Commandments. After worship Sunday August 30th some of the congregation went on the Gateway Clipper, for an ice cream social. Everyone had a wonderful time sailing and sightseeing. The children especially loved the magician and of course the ice cream sundae they got to make!

The week of September 6th Shirley filled in for me while I went to a family reunion. This week I planned a lesson on Abraham following God from Genesis 12. They played God says (Simon says) to help the children remember to follow God. They also discussed promises and how God kept his promises and they should do the same. Finally they colored a picture of Abraham. The week of September 13th Jennifer filled in for me while I was suppose to be on vacation. She taught the children a lesson I planned on the cost of following Jesus. "If anyone wants to follow me, He must forget about himself, pick up his cross, and follow me. For whoever wants to save his life will lose it, but whoever loses his life for my sake and for the Gospel's will save it. What good is it for man to have everything in the world, but to lose his own soul?" Then they played a musical game (musical chairs) of following in the footsteps of Jesus. Using large footprints. The week of September 20th the children learned about the righteous and the wicked with a lesson from Psalm 1. We imagined a beautiful tree in the rainforest full of life beside a stream of water (life of the righteous). Then we imagine a dead dried up old tree in the

desert (life of the wicked). We also painted a picture of each type of tree. The last week of September we learned a lesson on 1 kings 17. "For the jar of flour was not used up and the jug of oil did not run dry." The children learned that if they fully trust and rely on God he will love them and always take care of them. We used construction paper, feathers, and croutons to make pictures of Ravens carrying bread to Elijah.

On Sunday October 4th the children sang a melody of songs themed around "Jesus Loves the Little Children" to the congregation. Then we went to the classroom and discussed why Jesus thought it was important to have children hear him talk about God, even though the disciples tried to send them away. We also made a Jesus Loves Me door hanger. On Tuesday October 6th I changed the bulletin boards and decorated the classroom and nursery for fall. On Sunday October 11th the children heard about the saying Jesus said to the disciples, "it would be easier for a camel to pass through the eye of a needle, than for a rich man to pass into Heaven!" We had a discussion about greed and selfishness. Then we worked on our songs for the Children's Sabbath. That afternoon we also went on our annual corn maze, hay ride, and fire at Gearhard Farms. We had wonderful weather! Everyone really enjoyed themselves and expressed how they can't wait to do it again next year! On Sunday October 18th we celebrated the Children's Sabbath. The children really enjoyed decorating the sanctuary with balloons and streamers. As well as being the greeters. They loved performing their songs for the congregation. We also had a discussion on being helpers to everyone, just like Jesus is a helper to us all! We worked together to help decorate the classroom windows and door for Halloween. Pastor and I as well as our families came in the evening of October 23rd to decorate the steel building for Halloween. On Saturday October 24th we held our annual Fall Festival Party and Trunk or Treat. Despite the rain I think it was a huge success with a large turn out. On Sunday October 25th the children learned a lesson about seeing in different ways not just with our eyes. We talked about the blind man that knew Jesus was coming and he tried to warn others. They didn't believe him and wanted to just quiet him down. When Jesus came the blind man asked him to heal his eyes so he could see again. Jesus said that because he believed he would heal the man, and instantly he could see. We also made a spider craft for Halloween.

On Sunday November 1st the children learned a lesson on where Halloween or All Hallows' Eve, got its name and why it is celebrated on the 31st of October. Then we discussed All Saints Day and what that meant. We made candles for those that we lost and wanted to remember. Then the children helped me in getting our classroom a little back together after getting the floors done. I tried to make stations for free play after our lessons. On Tuesday November 3rd I finished taking down the Halloween decorations. Changing the bulletin boards to fall themes. On Sunday November 8th we recognized Orphans Sunday. The children listened to how orphans live and how they are grateful for everything they have. We talked about what we are thankful and grateful for. We also discussed how there are times when we could be more like orphans and be more appreciative of what we have. We discussed how sometimes the greed of the world comes out in all of us, especially over materialistic things. Then we made a Venn Diagram or Word Web to show how our children and orphans are alike and different. The word webs to show what we are grateful for. Shirley filled in for me on Sunday November 15th so I could take my Dad to a Steelers game for his birthday. I planned lessons from 2 Corinthians, God loves a cheerful giver and also that a Thankful heart gives willingly. They discussed ways that they could be cheerful givers and ways they could willingly help those in need. They made a little plaque craft and colored a picture that coordinated with the lesson. On Tuesday November 17th we hosted a Messy Church night. We did a Saint Martin's Day festival. It was very interactive with the children dressing up for the roles of the story, making crafts, and enjoying a special treat from Shirley! On Sunday November 22nd we all enjoyed staying in service for Camp Song Sunday. The children and I really enjoyed singing along! We also loved learning about the colors of the church year and coloring our coordinating paper. On Sunday November 30th the children and I had the pleasure of lighting the advent wreath and reading to the congregation. We then went to our class to discussed the colors of the candle and what they meant. We colored a matching coloring page.

On Tuesday December 2nd I changed the bulletin board by the nursery to a Christmas theme. I decorated the classroom and nursery for Christmas. On Sunday December 6th the children picked out their parts for our Christmas Eve service. They listened to one of the songs that isn't in our hymn books, in order to be familiar with it. On Sunday December 13th the children practiced their speaking parts for the Christmas Eve service. We also listened to one of the songs and practiced it as well. We then made a winter picture frame craft for them to take home. On Sunday December 20th the children made Christmas cards for our members who are unable to attend church. We then tried on our costumes for the Christmas Eve service. After worship we did a run through of the program for Christmas Eve. On Thursday December 24th we had our Christmas Eve program during service. The children all did a wonderful job reading and playing their parts. We received many compliments and praises! On Sunday December 27th the children and I discussed gifts we receive. We talked about the best gifts. We talked about the worst gifts. We talked about our reactions to both. We discussed the gifts God gives to us. We tried to look at what we considered terrible gifts from a different persons eyes. We learned that some things we take for granted, other cherish. That maybe we should learn to appreciate all our gifts a little more. We also made a craft with a baby Jesus and a note that said Jesus is the Reason for the Season!

That evening for confirmation class we took the students, as well as some of our Sunday school children Christmas caroling. Everyone had a wonderful time, they even were rewarded with candy and treats as we went around! We can't wait to go again next year!
